

A Garden Concert in Prévost

Written by Ilania Abileah - Main Street

A Garden Concert, what a splendid idea! On Sunday, July 10. The Boucher family, Raymonde & Michel with their daughter Anouk, welcomed their fellow members of the Prévost Horticulture and Ecology Society, as well as the organizers of Diffusion Amal'Gamme to a Garden Concert.

This is the 2nd time that the City of Prévost, the Prévost Horticultural Society, and Diffusion Amal'Gamme have offered a summertime garden concert, thus starting off a wonderful tradition. The musicians were the duo-harpists, Grenon-Guibord, who recently taught at the Cammac Music Camp. The audience dressed for the occasion. Skirts or dresses with a straw-hat for the ladies, pants, shirt and a straw-hat for the gentlemen.

Robin Grenon and Gisèle Guibord opened the concert with "Parfum d'été" composed by Robin Grenon. They played music from Latin America, Scotland, Ireland and Quebec. The audience tapped their feet to a jig, hummed to "Dany Boy", and wallowed in memories of youth with a special rendition of the Beatles song "And I Love Her". The musicians received a standing ovation. The Boucher family invited the public to visit their gardens and enjoy refreshments. Nature's beauty and the sound of harps provided a wonderful event and the weather cooperated too! Everybody raised their hats to salute the hosting Boucher family and organisers. As they say in French "Chapeau!"
